Standing for Truth in a Post-Truth Culture “Responding to Transgender Issues”

Gen 1:27; 2:24; Mt. 19:1-6

Intro.

Big Idea: As Christ-followers we are to bring grace and truth to the issue of gender confusion.

- I. To offer a gospel response, we must understand the issues.
 1. Gender dysphoria is a legitimate, diagnosable condition.
 2. Transgenderism has become a rallying point for some who are most interested in obtaining personal autonomy.
 3. In the pursuit of “gender equality,” some inequalities are being ignored.
 - 1) The right to female modesty.
 - 2) Some organizations must discriminate to protect.
 - 3) Fairness in women’s sports.
